

**“Teachers can change lives with just the right mix of chalk and challenges.” -Joyce Meyer**

On Dr. Sarvepalli Radhakrishnan’s 131st birth anniversary, GD Goenka Public School, Sector-9, Rohini organized the Teachers’ Day with great pomp-and-show. XII class students made sure that 5th September 2019 was a day to remember for the teachers. The event started with the Principal, Dr. Shipra Kumar, the Academic Director, Ms. Sweyta, the Academic Coordinator, Ms. Monica Kumar and the Primary In-charge, Ms. Prabjot Kaur, planting a sapling gifted by the XII class students. The event took a head-start with a melodious orchestra performance, followed by a music medley, a humorous skit, a scintillating dance performance and many fun-filled games for the teachers. The event ended with a cake cutting ceremony and the students spending joyous time with their beloved teachers.
